$595/student | **CA POST Certified: #1345-31715-23-001**

Your agency on average spends $100K to hire a new officer and get them through the field training program. But how much thought has been put into the training your FTOs receive? We designed a new modern FTO Update course that **guarantees** your FTOs will learn the best methods to Teach, Evaluate and Document. Come see why our FTO courses receive **100% positive reviews**.

This experience is unlike any other FTO Update course. This is a modern approach to how adults like to learn (No Power Point is used in this course!). Our course is taught by expert level instructors who guarantee your FTOs will leave with a new set of skills, each designed to help them teach and mentor a trainee or lateral officer through the FTO program.

Give your FTOs the best training available and register them today.

"After attending the Savage Training Group FTO course I felt more informed, more educated and better equipped because this course was informative and utilized interactive teaching styles. To anybody who is on the fence about attending I would tell them ***go***!"

— Deputy Geoff Hoffman, San Mateo County Sheriff's Office (CA)

- We use only expert level instructors who get the students thinking critically. The students learn modern teaching techniques based on the science of learning. Our expert teachers make your FTOs expert teachers!
- Students practice evaluating live role players instead of watching outdated videos.
- Each student receives a personalized copy of the Human Resource Industry's leading book about writing performance evaluations. They learn specifically what to write and what to avoid for liability reasons.
- Students receive good and bad examples of Daily Observation Reports and Remedial Training Plans. They then practice writing each and receive expert feedback from our instructors.
- Students learn realistic and meaningful ways to teach De-Escalation, Principled Based Policing and other modern policing subjects.
- Your agency is concerned about hiring and retaining trainees. We give your FTOs new tools to accomplish that mission.
